

AppRadio SPH-DA01 Firmware Update Version 2.64 (October 2013)

October 23, 2013

Dear Valued Pioneer Customer:

We would like to inform you of the availability of a free firmware update (version 2.64) for the Pioneer AppRadio SPH-DA01 in-dash multimedia system. This firmware update applies only to AppRadio units sold in the United States and Canada. This update (version 2.64) contains the following improvement:

- Compatibility with iPhone 4 or iPhone 4S running iOS 7

This notice explains how to obtain the free firmware update for the AppRadio.

HOW TO OBTAIN THE FREE FIRMWARE UPDATE:

1. Download the firmware update files to a computer from the Pioneer website: <http://www.pioneerelectronics.com/PUSA/Support/Downloads>
2. Transfer the files to a microSD card for insertion into the AppRadio SPH-DA01.

Questions?

If you have any questions, please contact Pioneer Customer Service toll free at 1-800-421-1404. Pioneer service representatives are available Monday through Friday, 10:30 a.m. to 7:00 p.m. (Eastern Time), except on holidays.
