 - Impedance: 16 ohm
- Acoustic System: Closed
- Charging Time (Approximately 2 Hours)
- Included Accessories: Silicon Tips (S/M/L), and Micro-USB Cable

*1 Water-resistant is the ability to resist the penetration of water to some degree but not entirely. IPX4 offers protection from a splash of water in any direction for at least 5 minutes.
 *2 Continuous music playback / talk time may change depending on usage environment. *3 Transmission distance is an approximation. Actual usable distance may vary depending on surrounding conditions.
 Specifications and design subject to change without notice. Do not listen through headphones at an uncomfortable volume or at loud levels for long periods. Set the volume to low when you first plug in. Do not use when the headphones would be an unsafe distraction, such as while driving, biking, or crossing a street.
