*IPX5 Offers protection from a 6.3mm spray of water (12.5 liters per minute) in any direction for at least 3 minutes

Specifications and design are subject to change without notice.

Do not listen through headphones at an uncomfortable volume or at loud levels for long periods. Set the volume to low when you first plug in. Do not use when the headphones would be an unsafe distraction, such as while driving, biking, or crossing a street.
