

### KEY FEATURES

- › Listen to your iPod® music library through your Pioneer Elite receiver and home theater speakers.
- › TV on-screen menu display of your music, photo, and video libraries
- › Watch video and view photo albums on your television
- › Complete access to your iPod from your Elite receiver's remote control
- › Charges your iPod at all times

### UNIVERSAL DOCK

- › The Pioneer iPod Universal Dock serves as a convenient and elegant home base for your iPod. Works with all iPod models that have a dock connector through the use of interchangeable inserts called Dock Adapters.

### DOCK ADAPTERS

- › Adapters snap into the IDK-80 Dedicated iPod Dock to provide a snug fit for any iPod with a dock connector. Package includes adapters for: iPod mini; iPod with click wheel (20GB, 40GB/U2 Special Edition); iPod with color display (20GB/30GB/U2 Special Edition, 40GB/60GB). New iPods already include adapters.

### IPOD A/V CONNECTION

- › The iPod A/V Cable connects to the dedicated connector on the IDK-80 and to the dedicated iPod connector on the back panel of Elite receivers.\*

### ELITE RECEIVER REMOTE CONTROL

- › Experience your iPod from across the room. The Elite receiver's remote provides access to all iPod functions.
